

t Eliminates the Mandatory Clause of the Tunnel Ventilating Bill.

The Senate Bill Advanced to a Third Reading.

Indicted Directors' Pleadings Postponed Till Next Monday.

ALBANY, April 9. - " Railroading a bill " in expression frequently seen and heard in

neasure in the Legislature. It is true that some bills do meet, this forthrate fate on Capitol Hill, but the legislato es not live who can point to an instance

where a railroad bill was ever 'railroaded. The bills affecting the question of lighting and ventilation in the Fourth Avenue Tunnel ch have been introduced in the Legislature are now creeping along after the fashion of all asures affecting the interests of the New

York Central Railroad Company,

Although the Assembly Railroads Committee was apparently willing to report favorably the Sainer-Byrne bul, which compels the tunnel to Suicide of Benjamin D. Horton, a Rich MARION MANOLA HERE AGAIN be ventilated and lighted, a majority of its members having agreed to do so; and though the majority of the Senste Committee on Railroads, declared that they ould see nothing objectionable in the similar t has been till to-day impossible to get either

The reason for such failure to report this bill was made apparent when John H. Camp ap

He represented the New York Central Railroad Company in this particular bit of legis-

oration, which he desired to have introduced, eferred to committee, and there substituted for the Sulzer-Byrne measure in the Hous and for the Abeara bill in the Senate.

Senator Coggeshalt introduced it in the Sente, and it was recommended in the Railroads Committee of the Assembly as a substitute for he Suizer-Byrne measure.

explained in THE EVENING WORLD, and it is the capital, has incorporated in it several EVENING WORLD; but it retains the objectionble feature that makes its provisions computsory only on the problematical say so of the the courts concur, should the corporation appeal to them.

It also proposes to shift the respon any accident which might occur after the acoption of any lighting or ventilating plan onto the shoulders of the Railroad Commission

should the Camp-Coggeshall bill become o relieve the railroad corporation of any responsibility, the public will remember that the Company was responsible for the bill, in-

cal or other devices or appliances as or above the surface of any streets, avenues or other places, under which such tun-nels may be built, shall be subject as to form. material and construction to the approva except that in the city of New York, such approval shall be by a majority vote of the Mayor, the Comptroller, the Com-

of the Department of Public Parks of said The act in the present condition simply allows the Railroad Commissioners to compel the proper ventilation and lighting of the

omplained to Col. We ber that when he went to the office of the National Steamship Company. No. 23 Broadway, this morning and asked for a pass into the Barre Office it to pass, the morning and asked for a pass into the Barre Office it to pass, the morning and asked for a pass into the Barre Office it to pass, the morning and asked for a pass into the Barre Office it to pass. Fozzutilo said he pass for the passage of the act they will not say, and post the passage of the act they will not say, and post post pass to the tunnel by their direction as an earnest of the first pass. Fozzutilo said he pass for the pass pass into the Barre Office of the National Steamship Company, No. 23 Broadway, this morning and asked for a pass into the Barre Office of the National Steamship Company, No. 23 Broadway, this morning and asked for a pass into the Barre Office of the National Steamship Company, No. 23 Broadway, this morning and asked for a pass into the Barre Office of the National Steamship Company's clerk demanded as cents of the pass pass into the Barre Office of the other office of the Office of th New York Central Railroad Company to proceed with the reforms demanded immediately on the passage of the act they will not say, but point to the experiments now being made in the tunnel by their direction as an earnest

of their intention to act promptly, The measure as reported is better calculated to afford the relief required than that originally introduced at the request of the Railroad Company when it found that the people were aroused to such a pitch that nothing but legis-

lative relief would satisfy them.

DIRECTORS TO PLEAD MONDAY. Justice Martin Grants Delay to the

Indicted Magnates. Lawyers John M. Bowers, James M. Townsend, jr., and Henry W. Toft, sounsel for the indicted New York, New

calculations of the ciothing trade. Speculating on the usual change of weather, retailing on the usual change of weather, retailing on the usual change atock of Spring goods which how remain on their sheetwas.

Among others who counted on a higher temperature after Easter were Mack & Co., corner Grand and Broadway, who now fin! thenselves with a large slock of Spring overcoals, while their expected chatomers are wearing their Winter ones. Not to have the produced the price 50 per cent. Fitteen thousand apring overcoals, lined with serge and satin cloth, thorousably tusde, in three colors, black, brown and Oxford, are now on their counters awaiting purchasers at 50 care. These are the same coats that were marked sid at the beginning of the scaces. Besides these, bergains equally great are offered in children's suits from \$2 to \$6.

To each boy visiting the store to buy they offer a genuine league club, ball, cap and belt free.

Haven and Hartford Railway Company directors, appeared before Justice Martine in Part I. of General Sessions, to plead to the inletment of their clients for misdemesnor. The indicted directors are President Charles P. Chirk, Wilson G. Hunt, E. H. Trowbeidge.

and ready to argue it now or at any time before the 16th."

'I'll hear the opposition, " said Justice Mar-

ceedings taking place in any court but the General Sessions, before trial, as the proper place for pleading was in the Sessions. MCCOY, Wildman and Blair, After long argument by Mr. Howers and the District-Attorney, Justice Marine extended the time for the pleasings until next slonday.

BLEW OUT HIS OWN BRAINS.

Retired Brooklyn Merchant.

Benjamin D. Horton, a pioneer dry-goods nerchant of Brooklyn, who has been retired from business for several years, committe suicide at his home, 67 St. James place, this morning, by shooting himself in the right tem

ple. "Grip" had made him insane. Mr. Horton's son, Frederick O. Horton, com mitted suicide about four years ago in exactly through the refusal to marry him of a young pany, had drawm a new bill which met with lady to whom he had been very much attached, the approval of the officials of his client corabout two weeks. He also had a painful felo on his left thumb. Both troubles combined had broken his sleep for a week, and members of his family heard him pacing the floor as al hours of the night.

He took a short walk yesterday, returning home late in the afternoon, feeling padly. A patient.

Mr. Horton slept, with his wife, in a room on the third floor. At six o'clock this morning he got up for a drink of water. His wife awoke, the provisions of the bull advocated by THE and he complained of his old "grip" trouble He was in great pain, he said, and at his request a physician was calle t.

Mr. Horton again arose and knelt at the side of his bed in family prayer, as was his custom.

should the corporation apand taking his wife in his arms kissed ner affectionately. Mrs. Horton proceeded to dress her little

girl, and her ausband walked into the from oom, closing the door after him. Two minutes later a pistol shot rang out. Mrs. Horton rushed to the door, but found

Mrs. Horton rushed to the door, but found it locked. She summoned help and the door was burst in.

Mr. Horton was sitting on the side of a bed, with blood streaming down over his face. He was in his night clothes, and his blood had saturated them. He was quite dead.

A revolver was at his side.

News of the tragedy was sent to the DaKaib avonus sistion nouse, and Dr. Sperr was summoned. When the physician strived he examined Mr. Horton and said that death had been installancous.

The Barge Office Investigating a Petty System of Extortion.

Cot. Weber is investigating a system of extortion to which poor people visiting the Barge Omce are alleged to have been subjected. Marno Pozzutillo, of 426 East One Hundred and Thirteenth atreet, visited the Barge Office this morning to see his broiner, who arrived on the steamship Cachemire, and afterwards complained to Col. Weber that when he went

pass.

The immigration authorities permit the various steamship companies to issue passes to the friends of immigrants whose names appear on the ship's maniest, but they have no authority to charge for it.

FREDERICK S. MAEDER DEAD.

billous. For sale in 100c. and \$1 bottles by all | Will Cure You leading druggists.

Coming of Catarra,

The indicted directors are President Charles
P. Chark, Wilson G. Hunt, E. H. Trowbejdge.
William D. Bishop, Nathaniel Wheeler, Henry
C. Robinson, Edward M. Reed, Joseph
Park, Channey M. Depew, Henry S. Lee,
William Rockefeller and Leverett Brainard.
None of them appeared in person, but delegated Lawyer Bowers, by powers of attorney,
to plead for them.

When their names were called by the Clerk of
the Court, Lawyer Bowers moved that the Court
grant the defendants permission to plead
not grilly, with the privilege of withdrawing
the pres and interposing a demorrer, the time
to be extended until the pending motion to
change the trial from the Sessions to the Oyer
and Terminer should be decided.

"This motion," continued Mr. Bowers,
"In the practice of a skitini physic an there exemmany cases like the case of catarrh mentioned. In
